### ***TD Canada Trust Makes a Gift Towards the Future of Cambridge Memorial Hospital***

Cambridge, ON (July 23, 2009) – TD Canada Trust has committed \$100,000 to Cambridge Memorial Hospital Foundation for Nursing Education and the continuing education of other practicing caregivers.

CMH Vice President of Patient Services and Chief Nursing Official, Bea Mudge says this gift will directly contribute to the hospital's new vision to provide "exceptional healthcare through exceptional people".

"Continuing education is fundamental to providing excellent patient care and having the funds to afford clinical staff lifelong learning opportunities creates a hospital wide culture of learning."

TD Canada Trust has been part of Cambridge for 105 years and as a proud member of the community is pleased to be able to support the Cambridge Memorial Hospital Foundation.

"Our donation will help the training and development of nurses and other health care professionals at the hospital under our TD Grants in Medical Excellence program. We are so delighted to be a part of this great hospital", said Paul Morris, Branch Manager TD Canada Trust Hespeler Road.

"Contributing to the growth and vitality of our communities is a core value at TD Canada Trust.

*The Cambridge Memorial Hospital Foundation is a registered public charitable foundation that raises funds for medical equipment, infrastructure and continuing education at Cambridge Memorial Hospital. Our acute care hospital serves patients from Cambridge, North Dumfries, Doon and Deer Ridge.*
